Our File No. 22410-019

Dear Magistrate Graham:

As you know, the Court approved the final settlement in this class action lawsuit by Order dated August 8, 2011. Because no claims were submitted, the portion of the settlement funds dedicated to class members (\$7,200) will be donated to charitable organizations designed by the Plaintiff and Defendant. You have asked that we advise you of the identity of those charitable organizations.

At this time, I write to comply with that request and to inform you that the Plaintiff has designated the Federal Bar Association Fund as his charitable organization. The Defendant has chosen the Children's Miracle Network as its charitable organization.

I do not believe that the Court needs to specifically approve these organizations for purposes of the donations. However, obviously, if you have any objection or would like to put any conditions on these donations, Mr. Lyons and I would welcome your comments and would certainly comply with your directive. However, if we do not hear from you to the contrary, we will simply make the donations once the settlement has been funded. If you

require any proof or verification that the donations have been made, please contact either Mr. Lyons or me.

Very truly yours,
